ARTICLE IV. VARIANCES

The Board, or its duly authorized representative, may authorize variances from compliance with any of the architectural provisions of this Amended and Restated Declaration, unless specifically prohibited,

including restrictions upon height, size, placement of Structures, or similar restrictions, when circumstances such as topography, natural obstruction, hardship, aesthetic, or environmental considerations may require. The Board, or its duly authorized representative, shall conduct a hearing with the Lot Owner seeking such variance and any Lot Owners adjacent or contiguous to such Lot, in order to consider any objections, concerns or comments regarding such variance, except that the decision to grant a variance is to be determined solely by the Board. Such variances must be evidenced in writing, must be approved by at least a majority of the Board, and shall become effective upon execution. The variance must be signed by a member of the Board and recorded in the Official Public Records of Harris County, Texas. If such variances are granted, no violation of the covenants, conditions, or restrictions contained in this Amended and Restated Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Amended and Restated Declaration for any purpose except as to the particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all applicable governmental laws and regulations.

No granting of a variance shall be relied on by an Owner, or any other person or entity (whether privy or party to the subject variance or not), as a precedent in requesting or assuming variance as to any other matter of potential or actual enforcement of any provision of this Amended and Restated Declaration. Action of the Board in granting or denying a variance is a decision based expressly on one unique set of circumstances and need not be duplicated for any other request by any party or the same party for any reason whatsoever.

ARTICLE V. TERM AND MODIFICATION OF RESTRICTIONS

(a) The provisions of this Amended and Restated Declaration will remain in full force and effect until January 1, 2038, and are extended automatically for successive ten (10) year periods; provided however, that the provisions of this Declaration may be terminated on January 1, 2038, or on the commencement of any successive ten (10) year period by filing for record in the Official Public Records of Real Property of Harris County, Texas, an instrument in writing signed by Owners representing not less than eighty percent (80%) of the Lots in the Subdivision.

Upon approval of the Owners, as set out above of said amended declaration (as evidenced by the President's or Vice-President's signature certifying such approval) the amended declaration shall be recorded in the Official Public Records of Harris County, Texas, whereupon to the extent of any conflict with this Amended and Restated Declaration and any amendment thereto, the more restrictive provision shall control. For purposes of this Section, the approval of multiple Owners of a Lot may be reflected by the signature of any one Owner of such Lot.

Notwithstanding anything contained herein to the contrary, the Organization shall be entitled to use any combination of the following methods to obtain approval of the Owners for an amendment to this Amended and Restated Declaration:

- i. by written ballot, or electronic ballot as same may be established by the Board, that states the substance of the amendment and specifies the date by which a written or electronic ballot must be received to be counted;

ARTICLE VI. RIGHT TO ENFORCE

The restrictions herein set forth shall be binding upon the Organization, its successors and assigns, and all parties claiming by, through or under it or them, and all subsequent Owners of property in said Subdivision, each of whom shall be obligated and bound to observe such restrictions, covenants and conditions, provided, however, that no such person or corporation shall be liable except in respect to breaches committed during its, his or their ownership of said property. The violation of any such restriction, covenant or condition shall not operate to invalidate any mortgage, deed of trust, or other lien acquired and held in good faith against said property, or any part thereof, but such liens may be enforced as against any and all property covered thereby, subject nevertheless to the restrictions, covenants, and conditions herein mentioned. The Organization shall have the right to enforce observance and performance of such restrictions, covenants and conditions, and in order to prevent a breach, or to enforce the observance or performance of same, shall have the right in addition to all other legal remedies, to an injunction either prohibitive or mandatory. The owner of any Lot or Lots affected shall have the either to prevent a breach of any such restriction, covenant, or condition or to enforce performance of same.

The Owners of any Lot, by virtue of ownership of property within the Subdivision, covenant and agree to pay to the Organization an annual assessment ("Assessment) and any applicable late fees, interest and costs as more particularly set forth in this Amended and Restated Declaration.

Each such Assessment, together with attorney's fees, late fees, interest

and costs, shall be the personal obligation of the person or entity who was the Owner of the land at the time when the Assessment became due. No diminution or abatement of Assessments or set-off shall be claimed or allowed by reason of any alleged failure of the Organization or Board to take some action or perform some function required to be taken or performed by the Organization or the Board under this Amended and Restated Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Organization. The obligation to pay Assessments is a separate covenant on the part of each Owner of a Lot.

(b) Annual Assessments

i. Purpose. Assessments levied by the Organization shall be used for any legal purpose for the benefit of the Subdivision as determined by the Board and, in particular, may, by way of example and not limitation or obligation, include operational expenses of the Organization, enforcement of deed restrictions, payment of insurance premiums, costs of collection and litigation, administrative expenses, beautification, providing security, and any other services as may be in the Subdivision's and Owners' interest and all buildings, services, improvements and facilities deemed necessary or desirable by the Board in connection with the administration, management, control or operation of the Subdivision. The Board may, in its sole discretion, give one or more of the purposes set forth herein preference over other purposes, and it is agreed that all expenses incurred and expenditures and decisions made by the Board in good faith shall be binding and conclusive on all Owners.

ii. Creation. Payment of the Assessment shall be the obligation of each Owner, subject to the provisions below, and shall be binding and enforceable as provided in this Amended and Restated Declaration.

iii. Rate. The initial Assessment established by the Organization shall not exceed SIX HUNDRED DOLLARS AND NO/100 (\$600.00) per Lot. An Owner who formally re-plats two or more Lots into one Lot with the approval of the City of Houston Planning and Development Department shall owe one Assessment. Similarly, an Owner who subdivides a Lot shall pay one Assessment per Lot created by the subdivision of the Lot.

iv. Commencement. For purposes of calculation, the initial Assessment for a Lot shall commence on the date of closing of any Lot after the date this Amended and Restated Declaration is recorded in the real property records of Harris County. Assessments shall be due in advance on January 1st for the coming year and shall be delinquent if not paid in full as of January 31st of each year.

v. Proration. An Owner's initial Assessment shall be made for the balance of the calendar year as determined on a pro-rata basis and shall become due and payable on the commencement date described above. The Assessment for any year after the first year shall be due and payable on the first day of January. Any Owner who purchases a Lot or Lots after the first day of January in any year shall be personally responsible for a pro-rated Assessment amount for that year.

vi. Levying of the Assessment. The Assessment shall be levied at the sole discretion of the Board. The Board shall determine the sufficiency or insufficiency of the then-current Assessment to reasonably meet the expenses for providing services and capital improvements in the Subdivision and may, at its sole discretion and without a vote by the Members, increase the Assessment in an amount up to three percent (3%) annually. The Assessment may only be increased by more than three percent (3%) annually if such increase is approved by Owners of a majority of the Lots present, in person or by proxy, at a meeting called for said purpose at which a quorum is present in person or by proxy. The Assessment shall not be adjusted more than once in a calendar year nor shall any increase be construed to take effect retroactively, unless otherwise approved by Owners of a majority of the Lots subject to such Assessments present at a meeting called for said purpose at which a quorum is present in person or by proxy.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price and method of payment differentials. The Board may require advance payment of Assessments at closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment.

(c) Enforcement

The Organization may bring an action in law against the Owner personally obligated to pay the Assessment, late fees, interest, and costs, including attorneys' fees incurred by the Organization in collecting same and obtain a judgment against the Owner.
